

Fall 2018

Re: NYS DMV VERIFI Program

Dear Motor Vehicle Administrator:

I am writing to inform you about new documents issued by New York State registered motor vehicle dealers.

The New York State Department of Motor Vehicles has implemented a new program to modernize the way registered motor vehicle dealers record the retail or wholesale sale of any new or used motor vehicle, on-road motorcycle or trailer. This new online system is called Vehicle Electronic Reassignment and Integrated Facility Inventory (VERIFI). As preparation for this change, New York State petitioned NHTSA in 2011 for an alternate odometer disclosure method. After addressing NHTSA's initial concerns about out of state transfers, New York's alternate method of odometer disclosure received approval in the summer of 2012. This approval can be found in the Federal Register, volume 77, number 162, published Tuesday August 21, 2012. This approval laid the groundwork for what would ultimately become VERIFI. We have notified AAMVA and some of the major title and registration information companies of these changes however, as a neighboring jurisdiction I thought it was important to notify you about this change directly.

In this system two types of documents are used, secure paper and electronic. The final transfer document issued by a New York State registered motor vehicle dealer to an out-of-state purchaser will be a secure paper document, either Form MV-50, *RETAIL CERTIFICATE OF SALE*, or Form MV-50W, *WHOLESALE CERTIFICATE OF SALE*. The signature of the dealer and purchaser is required.

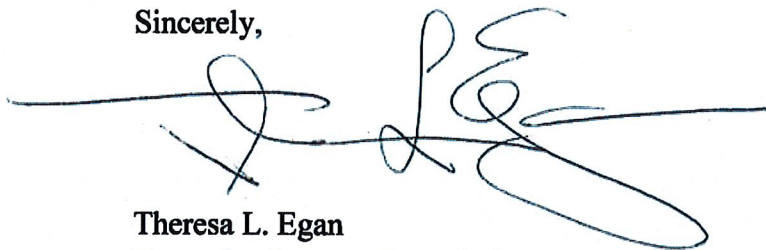

Any intermediate transfer document issued by a New York State registered motor vehicle dealer to another New York State registered motor vehicle dealer may be either a secure paper or electronic document: the secure paper document may be Form MV-50, *RETAIL CERTIFICATE OF SALE*, or Form MV-50W, *WHOLESALE CERTIFICATE OF SALE*; and, the electronic document is a computer-generated printout, *WHOLESALE CERTIFICATE OF SALE RECEIPT*. The signature of the dealer and purchaser is required on the secure paper documents, but is not required on the electronic document. You may verify the authenticity of an electronic *WHOLESALE CERTIFICATE OF SALE RECEIPT* by telephone at (833) 837-4346 or online at <https://www.verifiny.com/check>.

To summarize, the final transfer document issued to an out-of-state purchaser will be a secure paper document. This part of the procedure has not changed. However, intermediate transfers between dealers prior to the final transfer to the out-of-state purchaser may be made with either a secure paper or electronic document. The signature of the dealer and purchaser is required on the secure paper documents, but is not required on the electronic document.

I am enclosing samples of the secure paper Form MV-50, *RETAIL CERTIFICATE OF SALE*, the secure paper Form MV-50W, *WHOLESALE CERTIFICATE OF SALE*, and the electronic *WHOLESALE CERTIFICATE OF SALE RECEIPT*. Please distribute this letter with enclosures to the appropriate staff within your jurisdiction.

If you have any questions about this letter, New York State motor vehicle dealer regulations and procedures, or a VERIFI generated document, you may contact the Technical Services Bureau by telephone at (518) 474-5282 (select option #4). The office hours are from 8:30 a.m. to 4:15 p.m. Monday through Friday. I hope this information is helpful.

Sincerely,

A handwritten signature in blue ink, appearing to read 'T. Egan', with a long horizontal line extending to the right.

Theresa L. Egan  
Executive Deputy Commissioner  
NYS Department of Motor Vehicles
